

ADAMS HOME-GARD

FEATURES:

Completely Disposable Filter—Factory assembled replacement filter makes changing the filter clean, quick and easy. Throw the old one away and replace with a new one in seconds.

No messy disassembly of the old media and reassembly of parts on the new.

Convertible—

Can be easily upgraded to full electronic air cleaner at an affordable price. The electronic filter fits in the same cabinet.

Standard Pre-filter—Comes with washable, permanent lint screen to remove large particles. Prolongs media filter life and saves money.

High Efficiency—Removes 99% of pollens and spores and up to 90% of the dust and dirt.

Low Resistance—

Big on performance but low on air flow resistance. Works with heat pumps and other forced air systems.

Horizontal Pleats—Longer media life and lower than ever cost. More efficient pleats take more dirt out of the air than units with more pleats.

Charcoal Filter—Optional charcoal filter available in place of lint screen. Removes odors.

HIGH EFFICIENCY MEDIA AIR CLEANER

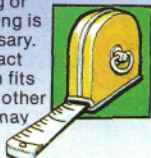

99% of the bacteria laden pollen and spores, and up to 90% of the dust and dirt that gets into your home you will feel healthier. Allergy sufferers may find the new Home-gard to be especially beneficial because it takes out so many of the things that bother them.

Comfort—Nor will you suffer the discomfort of stale, polluted air. Relax and enjoy the freshness that clean air brings you. Even microscopic particles that stain and smudge are filtered out by your Home-gard.

Convenience—Put your feet up and let the new Adams Home-gard dust and clean your home for you. You will be pleased by the way this new air cleaner cuts down cleaning...and costly redecorating, too.

Easier Installation—Cheaper, faster and easier to install with pre-drilled, bendable tabs. No cutting, drilling or trimming is necessary. Compact design fits where other units may not fit.
