

Limited WARRANTY

CONDENSING OIL-FIRED FURNACES

This furnace is warranted to be free from defects in materials and workmanship under normal use and maintenance, as described below.

The **Heat Exchanger** including the **Condensing Coil** is warranted for **twenty (20)** years pro-rated except as provided below.

The oil burner is warranted by its manufacturer and we pass their warranty along to our customer.

All remaining parts are warranted for a period of **five (5)** years except as provided below.

Neither warranty continues after the product is removed from the location where it was originally installed.

The warranty begins the date that the equipment is shipped from our factory. As its only responsibility, and your only remedy, the manufacturer will furnish a replacement part, without charge for the part only, to replace any part that is found to be defective due to workmanship or materials under normal use and maintenance. For warranty credit, the defective part must be returned to the manufacturer's distributor by a state or provincial certified or licensed contractor. Any part replaced pursuant to this warranty is warranted only for the unexpired portion of the warranty item applying to the original part.

These warranties do not apply to labor, freight, or any other cost associated with the service, repair or operation of the product.

These warranties are in lieu of all other express warranties. ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE, ARE LIMITED TO THE DURATION OF THIS WARRANTY.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. THE MANUFACTURER SHALL IN NO EVENT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO EXTRA UTILITY EXPENSES OR DAMAGES TO PROPERTY. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you.

The manufacturer is not responsible for:

Damage or repairs required as a consequence of faulty installation or application.

Damage as a result of floods, fires, winds, lightning, accidents, corrosive atmosphere or other conditions beyond the control of the manufacturer.

Use of components or accessories not compatible with this unit.

Normal maintenance as described in the installation and operating manual, such as cleaning of the coils, filter cleaning and/or replacement nozzles and lubrication.

Parts not supplied or designated by manufacturer.

Damage or repairs required as a result of any improper use, maintenance, operation or servicing.

Failure to start due to interruption and/or inadequate electrical service.

Any damage caused by frozen or broken water pipes in the event of equipment failure.

Changes in the appearance of the product that do not affect its performance.

This warranty gives you specific legal rights, and you may also have other rights that may vary from state to state.
